## Laugh at Zero Weather

WITH the right kind of heating nobody minds blizzards! It's the chilly, drafty houses—the cold floors that numb and paralyze us and make us sick and miserable in winter. Forget all this and enjoy the health that comes with a home heated evenly with clean, moist air. Get the heating plant that brings with it a guarantee of heat to 70 degrees in all weathers with the good ventilation which is as essential as warmth.

## CAMPBELL'S WINTER CHASER

is manufactured by The Campbell Heating Co., of Des Moines, Iowa. They are heating engineers and manufacturers of 30 years' experience. It they authorize us to undertake the job of heating your house they stand behind it. This enables us to guarantee you a warm house, and to make the guarantee absolutely efficient.

If, for any reason, after installing a Winter-Chaser, we fail to give satisfaction, you get your money back. We make this more than fair offer because we know the Winter-Chaser will more than do the work—will give simple comfort—making every room warm and cozy in spite of the thermometer.

Economical of fuel, and the simplest method of heating in use. Call and find out more about it.

El Paso Sheet Metal Works, 402 Texas Street, Telephone 548.

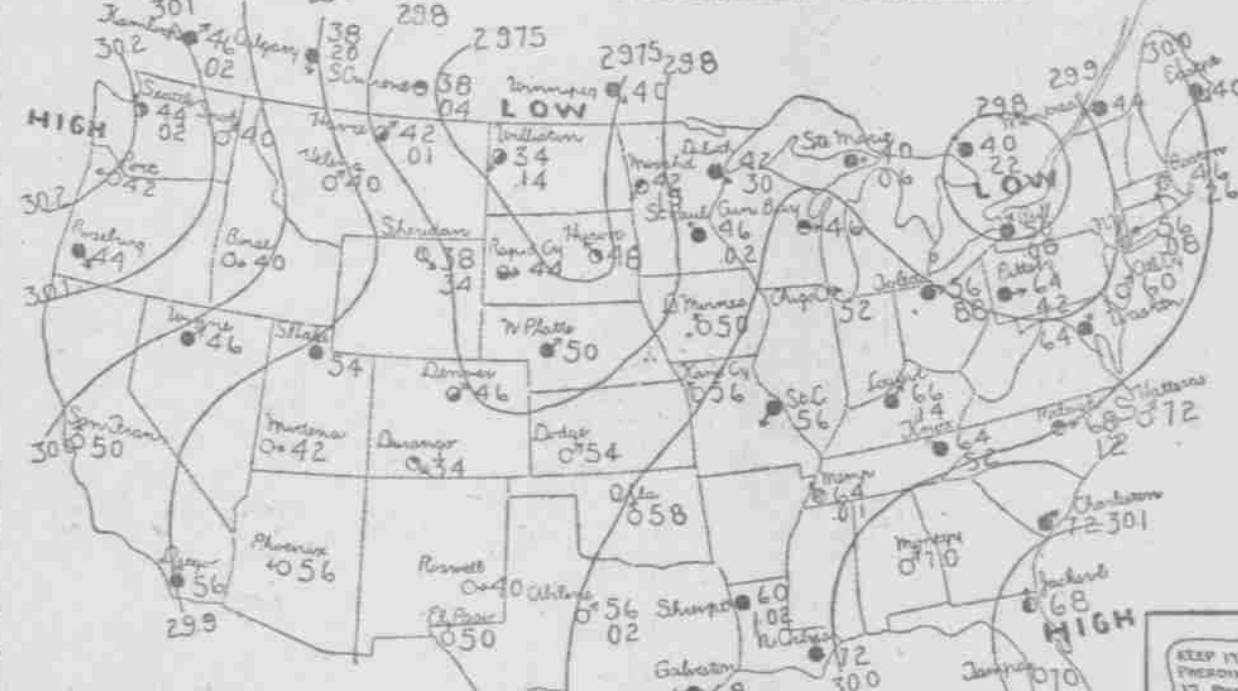

## WHY NOT?

KC is pure. KC is healthful. It really does make lighter, nicer biscuits, cakes and pastry than the old fashioned single acting baking powders.

And you pay only a fair price for it. No baking powder should sell for more.

## MANY RIDE FREE ON STREET CARS

Law Limits the Number, Still the Company Has a Big Burden of Free Transportation Daily.  
How many free fares are carried on the El Paso street cars is a puzzle to all but the street railway company and its officials won't tell. Although the Texas state law, the interstate commerce commission and the city ordinances prohibit the giving of free passes to any but specified officials of the city, the street car company hauls a big load of free fares every day and it is only necessary to watch the pay-as-you-enter end of a street car to get a line on the number of free passes that are slipped to the conductor in one way and another.  
All of the policemen ride on their badges. When they enter the car, they show their badge, which is worn under the lapel of the coat if they are not in uniform. The badge game is not restricted strictly to the policemen, for many employees of the city have police badges which they flash when they enter the cars. There are certain government officers entitled to ride free on the cars when on official duty. A United States deputy marshal,

the county sheriff and his deputies and the constables may ride free. In addition, the employees of the Electric Railway company ride on free tickets. The city and state officials in Juarez are issued passes and many of the policemen travel back and forth to El Paso by displaying their badge of office. So far the military in the Juarez barracks have been prevented from getting these free tickets, although a number of applications have been made to the company by the generals and colonels across the river. A strict accounting of all these passes is kept by the company and the "dead-head list" is kept as low as possible by its officials, but still it is large.

**AGED CITIZEN OF PARSONS. A STOCKMAN, PASSES AWAY.**  
Carrizozo, N. M., May 16.—Solomon Berry died at his home east of here near the town of Parsons after an illness of a few days' duration, heart trouble being the immediate cause. Mr. Berry was a native of Iowa and came to Lincoln county 36 years ago, having lived most of that time in the vicinity of Parsons, the remainder of this period being spent on the Bonito, where he was engaged in the cattle business. Deceased was 75 years of age and is survived by his aged wife and daughter, Mrs. T. J. Grafton, and four grandchildren, who reside at Parsons, and two sons and two daughters, who live in Iowa.  
Mr. and Mrs. George Simeros are here from Lincoln visiting the family of Syl. G. Anderson.  
Mr. and Mrs. Sam Fambrough, of Ancho, passed through Carrizozo on their way to El Paso with their little daughter, who will be placed in a hospital there for an operation for appendicitis.

## For the Kiddies After School

Give the kiddies Velva on bread, after school. They'll love it, because it's good, because it's flavory, because it satisfies the hunger for sweets that every child has. Besides, it will do them good, because it's nutritious.

## VELVA

Is that better syrup with the RED LABEL—a clean, sanitary package that ought to be on every pantry shelf. It's fine for desserts and great for cake. It helps wonderfully on griddle cakes, waffles or hot biscuit. In the green cans, too, if you prefer it. Both kinds 10 cents up. Send for the book of Velva recipes. Nothing to pay.
